HEALTH ADVOCATES

Short Bio

R. Ruth Linden is the President and Founder of *Tree of Life Health Advocates*. She helps clients with serious illness to navigate the healthcare system and access the best possible care. Dr. Linden has particular expertise in breast cancer, long-term care, clinical trials, and the end of life. She also works with adults with complex illnesses—individuals with multiple, chronic conditions who may have been failed by the healthcare system.

Dr. Linden holds a Ph.D. in Sociology from Brandeis University and a Certificate in Patient Advocacy from UCLA.
